

Chilton. Timber. Investment. Hunting.

\$269,900

110 +/- acres in Chilton County, Alabama

Great property near Birmingham with mature pine. The timber has been managed professionally. It is ready to be harvested or it can continue to gain value growth. The property has great deer and turkey hunting. The game cameras are catching pictures of some huge deer. Lots of county road frontage. Nice creek. Great property for a family getaway. Bring your family and start making your own memories.
