

Tallapoosa. Timber. Hunting. Recreation.

\$299,000

129 +/- acres in Tallapoosa County, AL

129+/- Acres in Tallapoosa County. Excellent timber. Expertly managed timber tract that will give the buyer a good return on investment. Harvest now or let the trees continue to grow for maximum return. The timber is just starting to turn from chip-n-saw to saw logs. Why not have an investment that you can use? Great deer and turkey hunting. The hunting has had very low pressure for many years. Two shooting houses. Two creeks. Nice trails throughout the property. Bring your ATVs. This is a great recreational tract for the family to enjoy. Plenty of room to spread out and make lasting memories.
